Failure to comply with such laws, rules, regulations, and policies shall constitute a material breach of this agreement and be grounds for its termination. The statutes, laws or codes cited herein are available for review at the New Jersey State Library, 185 West State Street, Trenton, New Jersey 08625. Such laws, rules, regulations, and policies include, but are not limited to, the following, where applicable:

The New Jersey Prevailing Wage Act, N.J.S.A. 34:11-56.25 et seq., is hereby made part of this agreement, if within the contemplation of the Act. If applicable, the Grantee represents and warrants that neither it, nor any subcontractors it might employ to perform the work covered under this agreement, have been suspended or debarred by the Commissioner, Department of Labor and Workforce Development, for violation of the provisions of the Prevailing Wage Act. The Grantee further represents and warrants that both it and any subcontractors it might employ to perform the work covered under this agreement shall comply with the provisions of the Prevailing Wage Act, where required.

If applicable:

1. All workers shall be paid not less than the prevailing wage rate as designated by the Commissioner of Labor and Workforce Development or its duly authorized representatives. The State wage rates in effect at the time of this award are part of this agreement, pursuant to N.J.S.A. 34:11-56.25 et seq.
2. If it is found that any worker employed by the Grantee or any subcontractor covered by said agreement, has been paid a rate of wages less than the prevailing wage required to be paid by such agreement, the Department may terminate the Grantee's or its subcontractors' right to proceed with the work, or such part of the work as to which there has been a failure to pay required wages, and may prosecute the work to completion or otherwise. N.J.S.A. 34:11-56.27.

The Grantee further represents and warrants that both it and any subcontractors it

might employ to perform the work covered under this agreement shall comply with the provisions of the Public Works Contractor Registration Act, where required. Any questions regarding the registration process can be directed to the Division of Wage and Hour Compliance at (609) 292-9464.

III. Insurance

The Grantee shall maintain, in force for the term of this agreement, insurance as provided herein. The coverages shall be maintained either through insurance policies from insurance companies licensed to do business in the State of New Jersey with an A-VIII or better rating by A.M. Best & Company, or through formal, fully funded self-insurance programs authorized by law and acceptable to the Department. The certificates of insurance shall indicate the grant number and title of the grant in the "Description of Operations" box. All policies must be endorsed to provide thirty (30) days' written notice of cancellation or material change to the Department at the following address: PO Box 420, 428 East State Street, 4th Floor, Trenton, NJ 08625-0420. If the Grantee's insurer cannot provide thirty (30) days written notice, then it will become the obligation of the Grantee to provide same. Unless current documentation is already on file, the Grantee must, within thirty (30) days after the effective date of this agreement, provide to the Department current certificates of insurance, documentation of self-insurance, or both, for all coverages and renewals required under this agreement. Renewal certificates shall be provided within thirty (30) days of the expiration of the insurance. No payments shall be made under this agreement until acceptable documentation of insurance coverage is received. The minimum required coverages are:

- A. Commercial General Liability: The minimum limit of liability shall be \$1,000,000 per occurrence as a combined single limit for bodily injury and property damage. The policy shall include the State of New Jersey as an "Additional Insured" and include the blanket additional insurance endorsement or its equivalent. The policy shall include coverage for contractual liability and products liability. The coverage to be provided under these policies shall be at least as broad as that provided by the standard basic, unamended, and unendorsed occurrence coverage forms or its equivalent currently in use in the State of New Jersey, which shall not be circumscribed by any endorsements limiting the breadth of the coverage.
- B. Automobile Liability Insurance, which shall be written to cover any vehicle used by the insured. Limits of liability for bodily injury and property damage shall not be less than \$1,000,000 per accident as a combined single limit. The State of New Jersey must be named as an "Additional Insured" and include the blanket additional insurance endorsement or its equivalent when the services being procured involve vehicle use on the State's behalf or on State controlled property.
- C. Worker's Compensation Insurance in accordance with the laws of the State of New Jersey and Employer's Liability Insurance with limits not less than: (i) \$1,000,000 Bodily Injury, Each Occurrence; (ii) \$1,000,000 Disease Each Employee; and (iii) \$1,000,000 Disease Aggregate Limit.
- D. These amounts may be raised when deemed necessary by the Department.

IV. Indemnification

The Grantee shall defend, indemnify, protect, and save harmless the State, its officers, its agents, its servants, and its employees from and against any damage, claim, demand, liability, judgment, loss, expense, or cost including, where the agreement is funded, in whole or in part, by the Federal government, any actions brought by the Federal government or any of its agencies (collectively, damages) arising, or claimed to arise, from, in connection with, or as a result of, the Grantee's performance, attempted performance, or failure to perform in connection with this agreement (collectively, "performance"), regardless of whether such performance was undertaken by the Grantee, its officers, its directors, its agents, its servants, its employees, its subcontractors, or any other person at its request, subject to its direction, or on its behalf. As nonrestrictive examples only, this indemnification shall apply, but shall not be limited, to (a) any settlement by the State of any claim or judgment against the State or its agents, provided the Grantee had the opportunity to participate in the settlement negotiation, and (b) all attorneys' fees, litigation costs, and other expenses of any nature, incurred by the State in connection with any damage.

The Grantee (a) shall immediately notify the State of any damage for which it or the State might be liable and (b) shall, at its sole expense, (i) appear, defend, and pay all charges for attorneys, all costs, and all other expenses arising in connection with any damage and (ii) promptly satisfy and discharge any judgment rendered against the State or its agents, or any settlement entered into by the State, for any damage. The Grantee shall not assert any defense which would be available to the State but

not to the Grantee, whether arising pursuant to the New Jersey Tort Claims Act or otherwise, without having first obtained the written approval of the New Jersey Division of Law. As soon as practicable after it receives a claim for damage made against it, the State shall notify the Grantee in writing and shall have a copy of such claim forwarded to the Grantee. The Grantee's indemnification and liability set forth herein is not limited by but is in addition to the insurance obligations contained in Section III above.

In the event of a patent and copyright claim or suit, the Grantee, at its option and sole expense, may (1) procure for the State of New Jersey the legal right to continue the use of the product; (2) replace or modify the product to provide a non-infringing product that is the functional equivalent; or (3) refund the expended grant amount less a reasonable allowance for use that is agreed to by both parties.

This agreement to indemnify shall continue in full force and effect after the termination, expiration, or suspension of this agreement.

V. Assignments and Subcontracts

The Grantee shall not subcontract any of the work or services covered by this agreement nor shall any interest be assigned or transferred, in whole or in part, except as may be provided for in this agreement or with the express written approval of the Department. Such approval, if granted, shall not relieve the Grantee of any of its responsibilities under this agreement. If the Grantee utilizes a subcontractor, the following shall apply:

- A. The Grantee shall submit to the Department a completed copy of Attachment F - Subcontractor List. The Grantee shall have a continuing obligation to update Attachment F - Subcontractor List during the course of this agreement. A complete and accurate list shall be submitted to the Department before final payment is made.
- B. The Grantee shall secure from the subcontractor and shall submit to the Department a copy of the subcontractor's New Jersey Business Registration Certificate as designated in Section IX of Attachment A - Authorizations and Disclosures.
- C. The Grantee shall be responsible for the subcontractor's performance, compliance with all applicable terms, conditions and requirements of this agreement, and compliance with all applicable laws.
- D. The Grantee shall ensure that any subcontract(s) entered into under this agreement meet(s) all applicable Federal requirements including, but not limited to, those delineated in 2 CFR Parts 25, 170, 175, 176, 180, 182, 200 and Appendix II to Part 200.
- E. The Grantee shall be responsible for any claims arising out of any subcontract hereunder, and, as a condition of any subcontract hereunder, the subcontractor shall hold the State harmless from any claims by the subcontractor or third-parties, which may arise under or as a result of the subcontract.
- F. If applicable, the Grantee shall provide, on a monthly and cumulative basis, a breakdown in accordance with the Approved Project Budget, of all monies paid to any small business, minority or woman-owned subcontractor(s). This breakdown shall be sent to the Chief of Operations, Division of Revenue, PO Box 628, Trenton, NJ 08646.
- G. Nothing contained in the Grantee's application or this agreement shall be construed to create a contract or privity of contract between the Department and any of the Grantee's contractors or subcontractors.

VI. Availability of Funds

- A. The State of New Jersey appropriates funds on a fiscal year basis, which is a period running from July 1 through June 30. The Grantee recognizes and agrees that both the initial provision of funding and any continuation of such funding under this agreement are expressly dependent upon the availability to the Department of funds appropriated by the State Legislature, Federal revenue, or such other funding sources as may be available. The Department shall not be liable for any breach of this agreement which results from the unavailability of funds or the State Legislature's failure to appropriate the necessary funds.
- B. The parties understand that, at this time, this agreement is either fully or partly funded, as designated in Section II of Attachment A – Availability of Funds.

02/19

VII. Procurement Standards

Procurement of supplies, equipment, and other services with funds provided by this agreement shall be accomplished in a manner consistent with all applicable Federal and State requirements. All applicable Federal and State requirements shall be incorporated into any subcontracts under this agreement. Adherence to the standards contained in those applicable Federal and State laws and regulations does not relieve the Grantee of the contractual responsibilities arising under its procurements. The Grantee is the responsible authority, without recourse to the Department, regarding the settlement and satisfaction of all contractual and administrative issues arising out of procurements entered into in support of this agreement.

VIII. Property Management Standards

Property furnished by the Department or acquired in whole or in part with Federal or Department funds, or whose cost was charged to a project supported by Federal or Department funds, shall be utilized and disposed of in a manner consistent with State and/or Federal requirements, as applicable.

IX. Method of Payment

A. Payment under this agreement will be made upon submission by the Grantee of a properly executed Expenditure Report (Attachment C) and all invoices, bills, and other documents necessary to justify the payment.

1. If authorized, advance payment will be made to the Grantee upon the execution of this agreement by the Department if the Grantee has (i) submitted an Advance Payment Form (Attachment B-2) with an appropriate justification for the requested advance payment(s); and (ii) submitted a properly executed Expenditure Report (Attachment C).
2. Progress payments shall be made by the Department on a periodic basis as set forth in Section III(B) of Attachment A, Additional Provisions and Special Modifications - Method of Payment, only upon receipt of a properly executed Expenditure Report (Attachment C) and receipt of the required financial and narrative reports described in Section XVI of the General Terms and Conditions - Financial and Performance Reporting. Payment shall be made either in fixed amounts as determined by the Department to maintain an appropriate level of services or in the form of reimbursement of actually reported expenditures, as indicated in Section III(B) of Attachment A, Additional Provisions and Special Modifications - Method of Payment.
3. All or a portion of the grant may be withheld by the Department pending receipt of any required final report(s).

- B. Unless otherwise specified in this agreement, all Expenditure Reports must be submitted by the Grantee no later than thirty (30) days after the end of the Work Period.
- C. The Department shall withhold payment of any costs improperly incurred for failure to comply with the Scope of Services, State or Federal law, as applicable, or the terms and conditions of this agreement.
- D. Grantee may not use any grant funds to satisfy any obligation arising outside the Work Period of this agreement.

X. Interest

A. The Grantee is required to deposit any advance payments received hereunder in insured accounts, whenever possible. The Grantee must maintain advance payments in interest-bearing accounts, unless this agreement is Federally-funded and one of the following applies:

1. The Grantee receives less than \$120,000 in Federal awards per year.
2. The best reasonably available interest-bearing account would not be expected to earn interest in excess of \$500 per year on Federal cash balances.
3. The depository would require an average or minimum balance so high that it would not be feasible within the expected Federal and non-Federal cash resources.
4. A foreign government or banking system prohibits or precludes interest bearing accounts.

- B. If this agreement is Federally-funded, interest up to \$500 per year may be retained by the Grantee for administrative expense; any interest above \$500 per year must be remitted on a quarterly basis to the Department for return to the Federal government. If this agreement is funded by the State, interest above \$250 per year shall be reported to the Department but may be retained by the Grantee unless otherwise provided pursuant to this agreement.

XI. Allowable Costs

- A. Use of Funds - Grant funds are to be used solely for the purpose(s) described in the approved project Scope of Services appended to this agreement (Attachment D) and may not be used to satisfy any obligation arising outside the Work Period of this agreement. Reimbursement may be obtained only for costs described in the Approved Project Budget appended to this agreement (Attachment B). The Grantee shall follow and comply with all applicable State and Federal laws governing the use of grant funds and shall not utilize grant funds to undertake any activity for any purpose other than as set forth in this agreement.
- B. Disallowed Costs - Where the Grantee has been reimbursed by the Department for costs which are subsequently disallowed by the Department, the Grantee shall return the funds to the Department no later than thirty (30) days after the request. Where the Grantee fails to timely return the funds or appeals the disallowed costs, an interest charge shall be charged on the funds beginning thirty (30) days from the date the Grantee was notified of the debt. The interest shall continue to accrue while any appeal is underway. If the Grantee is successful in its appeal, the accrued interest will be canceled.

XII. Matching and Cost Sharing Requirements

If there are any matching and/or cost sharing requirements associated with this agreement or the source of funding, then, regardless of whether Federal funds are involved, the Grantee shall account to the satisfaction of the Department for these requirements in accordance with Federal and State requirements.

XIII. Program Income

"Program income" means gross income earned by the Grantee that is directly generated from agreement-supported activities or earned as a result of the grant award during the Work Period. Such earnings include, but are not limited to, income from fees for services performed, the use or rental of real or personal property acquired under the grant award, the sale of commodities or items fabricated under the grant award, license fees and royalties on patents and copyrights, and principal and interest on loans made with grant award funds.

Unless otherwise specified in this agreement, program income shall be anticipated to the extent possible and included in the Approved Project Budget (Attachment B) to offset the Total Project Amount. Program income that the Grantee did not anticipate at the time of the grant award must be used to reduce the grant award rather than increase the funds committed. The Department may negotiate agreement(s) with the Grantee regarding appropriate use of program income earned after the Work Period, as part of the Grant Closeout Procedures in Section XX of this Part.

However, all program income earned from license fees and royalties for copyrighted material, patents, patent applications, trademarks, and inventions made under this agreement shall inure to the State pursuant to Subsection XXV(E) of this Part.

XIV. Special Grant Conditions for "High Risk" Grantees

- A. A Grantee may be considered "high risk" if the Department determines that a Grantee:
1. Is not financially stable;
 2. Has a history of unsatisfactory performance;
 3. Has failed to comply with the terms and conditions of previous grant awards;
 4. Has a financial management system that fails to meet the standards set forth in Section XV of this Part, below; or
 5. Is not otherwise responsible.

The Department may also consider prior audit findings, the Grantee's management of prior grant awards, the extent to which any previously awarded grant funds will be expended prior to future awards, and the Grantee's ability to effectively implement statutory, regulatory, or other requirements applicable to performance under this agreement.

- B. The Department may impose additional, specific, conditions upon Grantees that it considers to be “high risk.” Such conditions or restrictions shall correspond to the high risk condition, and may include:
 - 1. Requiring payments as reimbursements rather than advance payments;
 - 2. Withholding authority to proceed to the next phase of a project until receipt of evidence of acceptable performance within a given period;
 - 3. Requiring additional, more detailed financial reports;
 - 4. Requiring additional project monitoring;
 - 5. Requiring the Grantee to obtain technical or management assistance; or
 - 6. Establishing additional prior approvals.

- C. Should the Department decide to impose such conditions, the Department shall notify the Grantee as soon as possible, in writing, as to:
 - 1. The nature of the special condition(s)/additional requirement(s);
 - 2. The reason(s) why the special condition(s)/additional requirement(s) are being imposed;
 - 3. If applicable, the corrective actions necessary to remove the special condition(s)/additional requirement(s), and the time allowed for completing such actions; and,
 - 4. The method by which the Grantee may request reconsideration of the additional requirements imposed.

- D. The Department shall promptly remove any special condition(s)/additional requirement(s) once the conditions that prompted them have been corrected.

XV. Financial Management System

- A. The Grantee shall be responsible for maintaining an adequate financial management system, which shall provide for:
 - 1. Identification, in its accounts, of all Federal awards received and expended and the Federal programs under which they were received. Federal program and Federal award identification must include, as applicable, the CFDA title and number, Federal award identification number and year, name of the Federal agency, and name of the pass-through entity, if any.
 - 2. Accurate, current, and complete disclosure of the financial results of each project, agreement, or contract. For Federally-funded agreements, such disclosures shall be made in accordance with the reporting requirements set forth in 2 CFR 200.327 and 2 CFR 200.328.
 - 3. Records that adequately identify the source and application of funds for Department-supported activities, and that contain information pertaining to grant awards and authorizations, obligations, unobligated balances, assets, expenditures, income and interest, and are supported by source documentation.
 - 4. Effective internal and accounting controls over, and accountability for, all funds, property, and other assets. The Grantee must adequately safeguard all such assets and assure that they are used solely for authorized purposes.
 - 5. Comparison of actual outlays with budgeted amounts for all major cost categories on Attachment B - Approved Project Budget, and correlation of financial information with performance or productivity data, including the production of unit cost information.
 - 6. Accounting records that are supported by source documentation.
 - 7. Written procedures that minimize the time elapsing between the transfer of funds from the Department and the disbursement by the Grantee and, for Federally-funded agreements, implement the requirements of 2 CFR 200.305.
 - 8. Written procedures for determining reasonableness, allowability, and allocability of costs, consistent with the provisions of State and Federal requirements, as applicable, including Subpart E of 2 CFR 200 – Cost Principles, the appropriate Federal Agency Regulations for Grants and Agreements and Federal Agency Regulations, whichever would be applicable under Federal law, and the terms and conditions of this agreement.

- B. By execution of this agreement, the Grantee warrants and certifies that its accounting system meets the standards set forth herein and, for Federally-funded agreements, is consistent with Subpart E of 2 CFR 200 – Cost Principles,

supports the accumulation of costs as required by those principles, and provides for adequate documentation to support costs charged to this agreement. Notwithstanding, the Department may require the submission of a Statement of Adequacy of Accounting System, to be made as an attachment to this agreement. A Statement of Adequacy of Accounting System is not required as part of this agreement.

- C. The Department may review the adequacy of the financial management system of any applicant for financial assistance as part of a pre-award review or at any time subsequent to the award. If the Department determines that the Grantee's system does not meet the standards described in Subsection A of this Section, additional information to monitor the agreement may be required by the Department upon written notice to the Grantee.

XVI. Financial and Performance Reporting

- A. Attachment B - Approved Project Budget, is the approved financial plan to carry out the purpose of this agreement. The budget shall be itemized to disclose specifically the agreement tasks and project activities to be funded.
- B. The Grantee shall submit Expenditure Reports (Attachment C) on a periodic basis as prescribed in Section VI of Attachment A – Financial and Performance Reporting, which compare actual expenditures with the Approved Project Budget (Attachment B). Expenditure Reports must be certified by the Grantee's Financial Officer.
- C. The Grantee shall submit performance reports on a periodic basis as prescribed in Section VI of Attachment A – Financial and Performance Reporting. Performance reports shall present the following information for each task under this agreement:
 - 1. a comparison of actual accomplishments to the objectives established in Attachments D - Scope of Services; D-1 - Project Requirements; and D-2 - Grantee's Proposal, for the reporting period;
 - 2. reasons why established goals were not met or tasks were not completed as scheduled, if appropriate; and
 - 3. other pertinent information, including a description of work performed during the reporting period, relevant literature citations, raw data generated, any modifications to the planned scope of work, and an anticipated work schedule for the next reporting period.

Performance reports shall include all available and relevant, quantitative data pertaining to production of project work units, completion of agreement tasks, and actual costs for each unit or task. Additionally, performance reports for Federally-funded agreements shall be completed in accordance with 2 CFR 200.328.

- D. The Grantee shall submit final Expenditure and performance reports on its overall performance under this agreement, as prescribed in Section VI of Attachment A – Financial and Performance Reporting.
- E. Extensions of reporting due dates may be granted upon written request to the Department.
- F. If reports are not submitted as required the Department shall, at its discretion, suspend payments on this agreement.
- G. If the Grantee has a history of unsatisfactory performance or the Grantee does not submit satisfactory reports, the Department may require additional and more detailed reports from the Grantee.

XVII. Monitoring Performance

- A. The Grantee shall continually monitor its performance under this agreement to assure that time schedules are being met, projected work units by time periods are being accomplished, and other performance goals are being achieved as applicable and as defined in the following Attachments: D - Scope of Services; D-1 - Project Requirements; and D-2 - Grantee's Proposal.
- B. The Grantee shall inform the Department as soon as any of the following types of conditions affect project objectives and performance and shall describe the action taken, or contemplated, and the Department assistance needed, if any, to respond to any such condition:
 - 1. Problems, delays, or adverse conditions which will materially affect the ability to attain project objectives, prevent the meeting of time schedules and goals, or preclude the completion of project work units or agreement tasks within established time periods; and

2. Favorable developments or events which enable meeting time schedules and goals sooner or at less cost than anticipated, or producing more or different beneficial results than originally planned.
- C. The Department may, at its discretion, make site visits to: review project accomplishments and management control systems; audit the financial records pertaining to this agreement; and provide such technical assistance as may be required.
- D. If the Grantee is not performing satisfactorily, the Department may require remedial measures necessary to fulfill the project requirements, including requiring the Grantee to obtain additional Department approvals before proceeding or requiring the Grantee to obtain outside technical or managerial assistance.

XVIII. Audit Requirements

- A. All agreements are subject to audit by the State, including by the State Comptroller and the Department. This agreement may be audited at the discretion of the State up to seven (7) years after the date of last payment under this agreement. Any such audit shall be made in accordance with applicable Federal and State requirements, and as to whether the Grantee has complied with Federal and State statutes, regulations, and the terms and conditions of any award. The Grantee shall comply with applicable Federal and State requirements for auditees.
- B. If the Grantee expends a total of \$750,000 or more in Federal financial assistance or State financial assistance within the Grantee's fiscal year, the Grantee must have an annual single audit or program-specific audit performed in accordance with Subpart F of 2 CFR Part 200 – Audit Requirements, and State Policy.
Grantees that expend less than \$750,000 in Federal or State financial assistance within their fiscal year, but expend \$100,000 or more in State and/or Federal financial assistance within their fiscal year must have either a financial statement audit or a program-specific audit performed in accordance with Generally Accepted Government Auditing Standards, Subpart F of 2 CFR Part 200 – Audit Requirements, and State Policy.
- C. Where an audit conducted hereunder indicates any noncompliance by the Grantee with the material terms and conditions of this agreement, the Grantee shall forthwith take corrective action. As a result of any audit hereunder, recommendations shall be made whether any costs incurred by the Grantee should be disallowed as beyond the scope or the purpose of this agreement, excessive, or otherwise impermissible. The Department retains the right to recover any disallowed expenditures, and the Grantee shall return to the Department any disallowed expenditures no later than thirty (30) days after the request.
- D. Copies of all audit reports involving this agreement must be sent to the Department's Internal Audit Unit at PO Box 420, 428 East State St, Trenton, NJ 08625-0420 and the Granting Agency identified in Section I of this agreement, Grant Award Data and Signatures.
- E. The provisions of this Section XVIII shall continue in full force and effect after the termination, expiration, or suspension of this agreement.

XIX. Agreement Amendment

If the Grantee wants to amend this grant, they must submit a written request to the Grant Officer designated in Section VIII of Attachment A - Agreement Amendment. Any amendment, whether requested by the Grantee or the Department, must be documented by completion of the Department's amendment form (DEP-076). The completed amendment form must be executed by authorized representatives of both parties in the same manner as this agreement, unless the amendment is of the types described in subparagraphs A, B, C, or D below. If the amendment is of the types described in subparagraphs A, B, C, or D below, then the Grant Officer may execute the amendment form by signing same in the designated place, and execution by authorized representatives of the Grantee or Department will not be required. However, any amendment to the Scope of Services, including but not limited to any increase in the amount of the Approved Budget, must be memorialized by a completed amendment form, executed by authorized representatives of both parties.

- A. The Grantee may obtain approval directly from the Grant Officer to transfer amounts of up to \$20,000 or 10% of the total agreement amount, whichever is less, from one direct cost category to another or from the indirect cost category to a direct cost category, as long as this transfer does not result in any change in the project's scope, Work Period, objective, or deliverables, and, for Federally-funded agreements, provided that such costs are allowable and that the

transfer would not require the Department to seek Federal Agency approval pursuant to 2 CFR Part 200 or the appropriate Federal Agency Regulations for Grants and Agreements and Federal Agency Regulations, whichever would be applicable under Federal Law. If the total agreement amount is less than \$25,000, the Grant Officer may disregard the 10% limitation and approve transfers of up to \$2,500.

1. "Indirect costs" are those incurred for a common or joint purpose benefiting more than one cost objective and not readily assignable to the cost objectives specifically benefited, without effort disproportionate to the results achieved. "Direct costs" are those which can be identified specifically with a particular final cost objective or that can be directly assigned to activities relatively easily with a high degree of accuracy.
 2. The amendment form documenting any budget revision shall clearly show and justify each change in each cost category, either on the form or on an attachment to it.
- B. The Department may reduce the Approved Project Budget and the Scope of Services so that they fairly reflect anticipated project expenditures and progress if:
1. The Department notifies the Grantee that the Grantee is making project expenditures or progress at a rate which, in the judgment of the Department, will result in substantial failure to expend the grant or to fulfill the purposes of this agreement,
 2. The Department notifies the Grantee at least thirty (30) days in advance of any reduction,
 3. After consultation, the Grantee is unable to develop to the satisfaction of the Department a plan to rectify its low level of project expenditures or progress, and
 4. The Department considers the Grantee's fixed costs when making any reduction.
- C. The Grant Officer may approve no-cost time extensions to the Work Period or the due date of the final report in increments of six months or less, but not beyond any applicable time period for expending the source of funding. Written justification and documentation evidencing the need to extend the Work Period or the due date of the final report must be submitted to the Grant Officer at least thirty (30) days in advance of the scheduled end of the Work Period. The amendment form (DEP-076) documenting any no-cost time extension shall clearly show and justify the change, either on the form or on an attachment to it.
- D. The Grant Officer may approve proposed Grantee substitutions to the personnel and/or subcontractors identified and approved for this agreement, provided that, for Federally-funded agreements, the substitution would not require the Department to seek Federal Agency approval pursuant to 2 CFR Part 200 or the appropriate Federal Agency Regulations for Grants and Agreements and Federal Agency Regulations, whichever would be applicable under Federal Law. The Grantee must submit a written request to the Department which includes:
1. An explanation of the reasons why the original personnel/subcontractors cannot be provided;
 2. Vitae/credentials which demonstrate that the qualifications of the substitutions are equal to or better than the originally proposed personnel/subcontractors; and
 3. A declaration that the substitution will be provided at no additional cost to the State.

XX. Closeout Procedures

The closeout of this project shall mean the process by which the Department determines that all applicable administrative actions and all required work have been completed by the Grantee. This process shall include the following steps:

- A. The Grantee shall submit all reports as required and within the timeframes prescribed by this agreement. The Department may permit extensions when requested in writing by the Grantee;
- B. Extensions to the due date of the final report shall be made in accordance with Section XIX of the General Terms and Conditions – Grant Amendment.
- C. Unless otherwise specified, the Grantee shall, within thirty (30) days of the end of the Work Period, liquidate all obligations incurred under this agreement.
- D. The Grantee shall, within thirty (30) days of the end of the Work Period, refund to the Department any cash advanced but not committed to payment of eligible project costs in accordance with the Approved Project Budget (Attachment B).
- E. The Grantee shall refund to the Department any funds spent on costs which are disallowed by the Department, within thirty (30) days after the request.

- F. The Department retains the right to recover any appropriate amount after fully considering any recommendation on disallowed costs resulting from an audit conducted in accordance with Section XVIII of this Part – Audit Requirements.
- G. The Grantee shall account for any property acquired with agreement funds or received from the Department in accordance with Section VIII of this Part - Property Management Standards.
- H. The Department may negotiate agreement(s) with the Grantee regarding appropriate use of program income earned after the Work Period.
- I. The Grantee shall comply with any additional closeout procedures, Federal or otherwise, applicable to this agreement, and/or identified by the Department as necessary.
- J. The Department retains the right to request any additional information necessary to close out this project and may retain any final payment until closeout procedures are completed on the part of the Grantee.

XXI. Termination, Expiration, and Suspension

- A. The following definitions shall apply for the purposes of this Section XXI, Termination, Expiration, and Suspension.
 - 1. Termination - The "termination" of this agreement shall mean the cancellation of assistance, in whole or in part, any time prior to the end of the Work Period.
 - 2. Expiration Date - The "expiration date" of this agreement is the date upon which the parties have fully performed under this agreement, or any applicable timeframe for expending the source of funding has expired.
 - 3. Suspension - The "suspension" of this agreement shall mean a temporary cessation of State support or assistance pending corrective action by the Grantee or pending a decision by the Department to terminate this agreement.
- B. Notwithstanding any provision or language in this agreement to the contrary, the Department may terminate this agreement at any time, in whole or in part, for the convenience of the State, upon no less than thirty (30) days written notice to the Grantee.
- C. If the Grantee fails to comply with any term, condition, requirement, or provision of this agreement, or fails to make sufficient progress so as to reasonably ensure completion of performance within the time frames set forth in this agreement, the Department may (1) suspend this agreement and withhold further payments; (2) prohibit the Grantee from incurring additional obligations of grant funds pending corrective action; or (3) decide to terminate this agreement, in whole or in part, upon ten (10) days written notice, in accordance with Subsection (d), below.
- D. If the Department suspends or terminates this agreement, an equitable adjustment in grant payment shall be made to the Grantee for reasonable, nonrefundable expenditures or contractual obligations incurred by the Grantee which cannot be canceled for commitments made prior to the effective date of such suspension or termination, not in anticipation of it, and which would have been allowable had this agreement not been suspended or terminated. Additionally, the Department may, at its sole discretion, allow Grantee to incur additional costs that could not be reasonably avoided.
- E. The Department and the Grantee may terminate this agreement, in whole or in part, when both parties agree that the continuation of the project would not produce beneficial results commensurate with the further expenditure of funds. Both parties shall agree upon the termination conditions, including the date on which the termination shall take effect and, in case of partial terminations, the portion to be terminated. The Grantee shall not incur new obligations for the terminated portion after the date on which the termination shall take effect, and shall cancel as many outstanding obligations as possible.
- F. The closeout procedures described in Section XX of this Part - Closeout Procedures, shall apply in all cases of termination of this agreement.

XXII. Access to Records

- A. The Grantee agrees to make available to the Department, the Office of the State Comptroller, any other State auditor, and any of their duly authorized representatives, and, for Federally-funded agreements, any Federal agency whose funds are expended in the course of this agreement, Inspectors General, and the Comptroller General of the United States, and any of their duly authorized representatives, such pertinent records, books, documents, and papers as may be necessary to monitor and audit the Grantee's operations under this agreement.
- B. Whenever reasonable and practical, the State shall give reasonable notice to the Grantee prior to any visitation, inspection, or audit, including any visitation or request for documentation in discharge of the State's responsibilities. However, the State retains the right to make unannounced visitations, inspections, and audits as deemed necessary during normal business hours.
- C. The State reserves the right to have access to records of any subcontractor and requires the Grantee to provide the State access to such records in any contract with the subcontractor.
- D. The State reserves the right to have access to all work papers produced in connection with audits made by the Grantee or by independent certified public accountants or municipal accountants hired by the Grantee to perform such audits.
- E. The provisions of this Section XXII shall continue in full force and effect after the termination, expiration, or suspension of this agreement.

XXIII. Record Retention

- A. The Grantee shall retain records relevant to this agreement, including but not limited to, financial and programmatic records, supporting documents, and statistical records, for a period of seven (7) years from the date of last payment under this agreement, or such longer period as any applicable State or Federal statute may require, except:
 - 1. If any litigation, claim, or audit is started before the end of the seven-year period, the records shall be retained until all litigation, claims, or audit findings involving the records have been resolved and final action taken.
 - 2. Records for nonexpendable property acquired with Federal or Department funds shall be retained for seven (7) years after final disposition.
 - 3. When the Grantee is notified in writing by the Department to extend the retention period.
- B. The State may request transfer of certain records to its custody from the Grantee when it determines that the records possess long-term retention value and will make arrangements with the Grantee to retain any records that are continuously needed for joint use.
- C. The provisions of this Section XXIII shall continue in full force and effect after the termination, expiration, or suspension of this agreement.

XXIV. Approvals and Authorizations

- A. Unless specifically stated otherwise, wherever this agreement requires the approval or authorization of the Department, that approval or authorization must be given in writing by the Commissioner of the Department, by the authorized delegate who signed this agreement, or by said delegate's successor or superior, if any.
- B. If the Grantee is a municipal or county government agency, the Grantee must submit with this agreement a copy of an ordinance or resolution, duly enacted by the governing body of that municipal or county government agency, or of the municipality or county, authorizing execution of this agreement. If the Grantee is a corporation or other business entity, the Grantee must submit with this agreement a corporate resolution or other authorization, duly adopted by its board of directors, board of trustees, or equivalent governing body, authorizing execution of this agreement. The Department will not make any payments until such ordinance, resolution, or authorization is received.
- C. If the Grantee is neither a government agency nor a corporation, and if the Grantee has neither a residence nor a place of business in New Jersey, then the Grantee irrevocably appoints the Commissioner of the Department to receive process in any civil action, which may arise out of or as a result of this agreement. Within ten (10) days of receipt of any such process, the Commissioner shall transmit it by certified mail to the Grantee at the address shown in this agreement.

- E. Intellectual Property Rights: If the Grantee, in the course of its duties under this agreement, develops any invention, apparatus, computer program, discovery, or other intellectual property, the State will own the entire right, title and interest throughout the world to each such property right and to patents and copyrights protecting the same, subject to any Federal interest, as applicable. The State's ownership shall be unaffected by any assignment, suspension, termination, or expiration of this agreement.
- F. Captions and Headings: Captions and headings used in this agreement are for convenience of reference only and shall in no way be deemed to define, limit, explain, or amplify any term or provision.
- G. Severability: If any term or provision of this agreement shall be held invalid, illegal, or unenforceable, in whole or in part, neither the validity of any remaining part nor the validity of any other term or provision shall in any way be affected by such holding.

- Q. Applicability of Provisions Excluded from the Agreement: Failure to expressly reference any applicable Federal or State regulation, statute, public law, Executive Order, agency directive or OMB Circular will not exempt either party from compliance with such applicable law or regulation, and all applicable provisions not included will be deemed as inserted herein.

- A. The Grantee agrees to fully comply with the Byrd Anti-Lobbying Amendment (31 U.S.C. 1352) and the appropriate Federal Agency Regulations for Grants and Agreements and Federal Agency Regulations, whichever would be applicable under Federal law, with respect to New Restrictions on Lobbying.
- B. The Grantee and all lower tier subrecipients shall include the following language in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements). The Grantee and all lower tier subrecipients shall certify and disclose accordingly:
 1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.
 2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying", in accordance with its instructions.
- C. Grantees and their subcontractors that apply or bid for an award exceeding \$100,000 must file the enclosed Certification Regarding Lobbying (Attachment A-1-A). Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up this award. Therefore, Standard Form-LLL, if required at any tier, shall ultimately be forwarded to the Department.

VI. Trafficking Victim Protection Prohibition Statement

- A. As a subrecipient of a Federal award, the Grantee, if a private entity, must comply with the following award term:
 - i. You as the recipient, your employees, subrecipients under this award, and subrecipients' employees may not:
 - i. Engage in severe forms of trafficking in persons during the period of time that the award is in effect;
 - ii. Procure a commercial sex act during the period of time that the award is in effect; or
 - iii. Use forced labor in the performance of the award or subawards under the award.

VII. Equal Employment Opportunity

Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

VIII. Federal Labor Standards

To the extent applicable, the Grantee shall comply with Federal Labor Standards, including:

- A. The Davis-Bacon Act, as amended (40 U.S.C. 3141-3144, and 3146-3148), as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, the Grantee and its subcontractors, where applicable, are required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, the Grantee and its subcontractors, where applicable, are required to pay wages not less than once a week. If the prevailing wage rate prescribed for any craft by the United States Secretary of Labor is not the same as the prevailing wage rate prescribed for that craft by the New Jersey Department of Labor, the Grantee and its subcontractors, where applicable, shall pay the higher rate.

General wage determinations issued under Davis-Bacon and related acts, published by the US Department of Labor, may be obtained from the Wage Determinations online website at <https://www.wdol.gov.dba.aspx>. The Federal wage determinations in effect at the time of this award are part of this agreement. The Grantee hereby accepts the wage determinations and agrees that its award of any subcontract under this agreement shall be conditioned upon the subcontractor's acceptance of the wage determinations.

- B. The Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor Regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each Grantee and its subcontractors, where applicable, must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled.
- C. The Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). The Grantee and its subcontractors, where applicable, shall comply with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor Regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, the Grantee and its subcontractors must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

IX. Environmental Regulatory Compliance

- A. The Grantee shall not begin any implementation work under this agreement until the required environmental review process, if applicable, is completed in compliance with the National Environmental Policy Act (NEPA), 42 U.S.C. 4321, et seq., its implementing regulations, 40 CFR Part 1500-1508, and other applicable Federal Agency NEPA requirements. Further, the Grantee shall not begin any implementation work under this agreement until compliance with the Endangered Species Act, 16 U.S.C. 1531, et seq., and the National Historic Preservation Act, 16 U.S.C. 470, et seq., if applicable, is completed.
- B. The Grantee shall comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

X. Procurement of Recovered Materials

Any Grantee that is an agency of a political subdivision of a State and its contractors must comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act (RCRA) (42 U.S.C. 6962). The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR Part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of an item exceeds \$10,000 or the value of the quantity acquired during the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

XI. Federal Funding of Conferences

The Grantee certifies that no Federal funds shall be used to sponsor or fund in whole or in part a meeting, convention, conference, or training seminar that is conducted in, or that otherwise uses the rooms, facilities or services of, a place of public accommodation that does not meet the requirements of the fire prevention and control guidelines described in section 29 of the Federal Fire Prevention and Control Act of 1974 (15 U.S.C. 2225).

**ADDITIONAL PROVISIONS FOR:
AGREEMENTS FUNDED BY THE U.S. ENVIRONMENTAL PROTECTION AGENCY (EPA)**

I. Federal Requirements

The Grantee is subject to the OMB Guidance in Subparts A through F of 2 CFR Part 200, as adopted and supplemented by the EPA in 2 CFR Part 1500 and 40 CFR Subchapter B.

The Grantee further agrees to comply with all applicable terms and conditions of the EPA General Terms and Conditions, available at <https://www.epa.gov/grants/grant-terms-and-conditions>.

II. Lobbying and Litigation

- A. The Grantee's Chief Executive Officer shall ensure that no grant funds awarded under this assistance agreement are used to engage in lobbying of the Federal Government or in litigation against the U.S. unless authorized under existing law. The Grantee shall abide by the Cost Principles available at 2 CFR 200 which generally prohibits the use of federal grant funds for litigation against the U.S. or for lobbying or other political activities.
- B. The Grantee agrees to comply with Title 40 CFR Part 34, New Restrictions on Lobbying. The Grantee shall include the language of this provision in award documents for all subawards exceeding \$100,000, and require that subrecipients submit certification and disclosure forms accordingly.
- C. In accordance with the Byrd Anti-Lobbying Amendment, any Grantee who makes a prohibited expenditure under Title 40 CFR Part 34 or fails to file the required certification or lobbying forms shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such expenditure.
- D. Contracts awarded by the Grantee shall contain, when applicable, the anti-lobbying provision as stipulated in the Appendix II to Part 200 – Contract Provisions for Non-Federal Entity Contracts Under Federal Awards.

- E. Pursuant to Section 18 of the Lobbying Disclosure Act, the Grantee affirms either that it is not a nonprofit organization described in Section 501(c)(4) of the Internal Revenue Code of 1986, or affirms that it is a nonprofit organization described in Section 501(c)(4) of the Code but does not and will not engage in lobbying activities as defined in Section 3 of the Lobbying Disclosure Act. Nonprofit organizations exempt from taxation under section 501(c)(4) of the Internal Revenue Code that engage in lobbying activities are ineligible for EPA subawards.

III. Debarment and Suspension

The Grantee shall fully comply with Subpart C of 2 CFR Part 180 – Responsibilities of Participants Regarding Transactions Doing Business with Other Persons, as implemented and supplemented by Subpart C of 2 CFR Part 1532 – Nonprocurement Debarment and Suspension. The Grantee shall include a similar term or condition in lower tier covered transactions.

IV. No Discrimination

The Grantee shall not discriminate, and shall abide by the Civil Rights Obligations as outlined in the EPA General Terms and Conditions, available at <https://www.epa.gov/grants/grant-terms-and-conditions>.

V. Procurement Requirements

The Grantee agrees that all goods and services procured under this agreement shall be procured in accordance with the requirements of 2 CFR 200.317-200.326. The Grantee shall fully comply with 40 CFR Part 33 regarding Disadvantaged Business Enterprises (DBEs), as applicable.

VI. Subcontract Administration Requirements

A. Contract Terms

Each procurement contract signed by the Grantee as a subrecipient of EPA financial assistance must include provisions under 2 CFR Part 200, Appendix II, as applicable, as well as the following term and condition:

“The contractor shall not discriminate on the basis of race, color, national origin or sex in the performance of this contract. The contractor shall carry out applicable requirements of 40 CFR part 33 in the award and administration of contracts awarded under EPA financial assistance agreements. Failure by the contractor to carry out these requirements is a material breach of this contract which may result in the termination of this contract or other legally available remedies.”

B. Good Faith Efforts

The Grantee agrees that it shall make the following good faith efforts whenever procuring construction, equipment, services and supplies under an EPA financial assistance agreement:

1. Ensure Disadvantaged Business Entities (DBEs) are made aware of contracting opportunities to the fullest extent practicable through outreach and recruitment activities. For local government grantees, this will include placing DBEs on solicitation lists and soliciting them whenever they are potential sources.

2. Make information on forthcoming opportunities available to DBEs and arrange time frames for contracts and establish delivery schedules, where the requirements permit, in a way that encourages and facilitates participation by DBEs in the competitive process. This includes, whenever possible, posting solicitations for bids or proposals for a minimum of 30 calendar days before the bid or proposal closing date.
3. Consider in the contracting process whether firms competing for large contracts could subcontract with DBEs. For local government grantees, this will include dividing total requirements when economically feasible into smaller tasks or quantities to permit maximum participation by DBEs in the competitive process.
4. Encourage contracting with a consortium of DBEs when a contract is too large for one of these firms to handle individually.
5. Use the services and assistance of the Small Business Association (SBA) and the Minority Business Development Agency of the Department of Commerce.
6. If the prime contractor awards subcontracts, require the prime contractor to take the steps in subparagraphs (1) through (5) of this paragraph.

C. Fair Share Objectives

Any Grantee whose grant award is greater than \$250,000 for any single agreement, or whose grant award(s) total over \$250,000 in EPA financial assistance in any one fiscal year, shall negotiate fair share objectives with the EPA as required by Subpart D of 40 CFR Part 33.

D. Additional Contract Administration Requirements

If applicable,

1. The Grantee must require its prime contractor to pay its subcontractor for satisfactory performance no more than 30 days from the prime contractor's receipt of payment from the Grantee.
2. The Grantee must be notified in writing by its prime contractor prior to any termination of a DBE subcontractor for convenience by the prime contractor.
3. If a DBE subcontractor fails to complete work under the subcontract for any reason, the Grantee must require the prime contractor to employ the six good faith efforts described in Subparagraph VI.B., above, in soliciting a replacement subcontractor.
4. The Grantee must require its prime contractor to employ the six good faith efforts described in Subparagraph VI.B., above, even if the prime contractor has achieved its fair share objectives.

E. Recordkeeping and Reporting Requirements

1. The Grantee must maintain all records documenting its compliance with the requirements of 40 CFR Part 33, including documentation of its and its prime contractors' compliance with the six good faith efforts described in Subparagraph VI.B, above, and data relied upon in formulating its fair share objectives, if applicable. Such records shall be retained in accordance with the record retention requirements of this agreement.
2. Any Grantee whose grant award is greater than \$250,000 for any single agreement, or whose grant award(s) total over \$250,000 in EPA financial assistance in any one fiscal year is required to maintain a bidder's list in accordance with 2 CFR 33.501.
3. The Grantee shall provide the following information for all procurements entered into under this agreement with a Minority Business Enterprise (MBE) or Women's Business Enterprise (WBE): (1) Type of Business Enterprise (MBE/WBE); (2) Dollar Value of the Procurement; (3) Date of Procurement; (4) Type of Product or Service Procured (Construction/Supplies/Services/Equipment); and (5) Name/Address/Phone Number of MBE/WBE Contractor or Vendor. The Grantee shall provide this information to the Department's Contracts and Grant Management Unit, PO Box 420, 428 East State Street, Trenton, NJ 08625, no later than the first week of October for all procurements made during the Federal Fiscal Year prior (October – September). Grantee should direct all questions regarding this requirement to the Contracts and Grant Management Unit at (609) 292-1323.

F. Conflicts of Interest

The Grantee shall disclose conflicts of interest to the Department in a manner that, as a minimum, is in accordance with sections 5.0(d) and 7.0(c) of EPA's Conflict of Interest (COI) Policy. EPA's COI Policy is available at <http://www2.epa.gov/grants/epas-financial-assistance-conflict-interest-policy>.

VII. Consultant Cap

EPA participation in the salary rate (excluding overhead) paid to individual consultants retained by the Grantee or the Grantee's contractors or subcontractors shall be limited to the maximum daily rate for a Level IV of the Executive Schedule, available at: <https://www.opm.gov/policy-data-oversight/pay-leave/salaries-wages/>, to be adjusted annually, unless a greater amount is authorized by law. The Grantee may, however, pay consultants more than this amount with non EPA funds. This limit applies to consultation services of designated individuals with specialized skills who are paid at a daily or hourly rate. This rate does not include transportation and subsistence costs for travel performed (the Grantee will pay these in accordance with its normal travel reimbursement practices).

Subagreements with firms for services which are awarded using the procurement requirements in Subpart D of 2 CFR 200 are not affected by this limitation unless the terms of the contract provide the Grantee with responsibility for the selection, direction and control of the individuals who will be providing services under the contract at an hourly or daily rate of compensation. See 2 CFR 1500.9.

VIII. Management Fees

Management fees or similar charges in excess of the direct costs and approved indirect cost rates are not allowable. The term “management fees or similar charges” refers to expenses added to the direct costs in order to accumulate and reserve funds for ongoing business expenses; unforeseen liabilities; or for other similar costs which are not allowable under this agreement. Management fees or similar charges may not be used to improve or expand the project funded under this agreement, except to the extent authorized as a direct cost of carrying out the scope of work.

IX. Foreign Entities or Location

The Grantee shall not make any subaward to or enter into any subcontract under this agreement with a foreign government or international organization and/or that is to be performed in a foreign country.

X. Cybersecurity Condition

EPA must ensure that any connections between the Grantee’s network or information system and EPA networks used by the Grantee to transfer data under this agreement, are secure.

The Grantee shall comply with the following requirements if the Grantee’s network or information system is connected to EPA networks to transfer data to the Agency using systems other than the Environmental Information Exchange Network or EPA’s Central Data Exchange:

If the Grantee’s connections do not go through the Environmental Information Exchange Network or EPA’s Central Data Exchange, the Grantee agrees to contact the EPA Project Officer (PO) and work with the designated Regional/Headquarters Information Security Officer to ensure that the connections meet EPA security requirements, including entering into Interconnection Service Agreements as appropriate. This condition does not apply to manual entry of data by the recipient into systems operated and used by EPA’s regulatory programs for the submission of reporting and/or compliance data.

For the purposes of this paragraph, a connection is defined as a dedicated persistent interface between an Agency IT system and an external IT system for the purpose of transferring information. Transitory, user-controlled connections such as website browsing are excluded from this definition.

COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG) FUNDED PROJECTS

I. BACKGROUND

In the aftermath of Superstorm Sandy, the United States Congress, through the Disaster Relief Appropriations Act of 2013, Public Law 113-2, appropriated approximately sixteen billion dollars (\$16,000,000,000) to HUD to be allocated as disaster recovery community development block grants among states, including the State of New Jersey ("State"), to provide crucial funding for recovery efforts ("Program" or "Activity") involving housing, economic development, infrastructure and the prevention of further damage to affected areas. Through the State's approved "Community Development Block Grant Disaster Recovery Action Plan" ("Action Plan") and Action Plan Amendments, it has received a U.S. Department of Housing and Urban Development ("HUD") Community Development Block Grant ("CDBG" or "CDBG-DR") for funding Superstorm Sandy ("Sandy") disaster recovery and other eligible events in calendar years 2011, 2012, and 2013.

Pursuant to FR-5696-N-01 (March 5, 2013) the State received a first allocation of \$1,829,520,000; pursuant to FR-5696-N-06 (November 18, 2013) the State received a second allocation of \$1,463,000,000; and pursuant to FR-5696-11 (October 21, 2014) the State received a third allocation of \$501,909,000 and an allocation of \$380,000,000 specifically designated for Rebuild by Design projects. Pursuant to 24 CFR 570.501, the New Jersey Department of Community Affairs ("DCA") has been designated to administer the State's CDBG-DR Program, which is subject to the federal statutes and regulations governing CDBG grants, as modified by exceptions and waivers previously granted and which may hereinafter be granted by HUD. CDBG-DR funds are allocated by DCA for approved programmatic activity carried out by other state agencies. Oversight of specific programs covered by this agreement, including the redistribution of CDBG-DR funds to CDBG-DR-eligible entities, is implemented by the New Jersey Department of Environmental Protection ("DEP" or the "Department").

The purpose of this Attachment is to list requirements applicable to programs funded in whole or in part by CDBG-DR funds received from HUD. Not all of the requirements listed herein shall apply to all activities or work under the Agreement.

II. ASSURANCES

Grantee/Contractor agrees to comply with all *applicable* federal CDBG-DR laws, guidelines and standards in a manner satisfactory to the State of New Jersey and HUD, including all administration and compliance requirements set forth by this Attachment. To the extent that Grantee/Contractor utilizes any contractors, consultants or other third party parties to supply goods or perform services in connection with the Agreement activities paid with CDBG-DR funds, Grantee/Contractor shall require and ensure that each contractor, consultant or other third party comply with all *applicable* federal CDBG-DR laws, guidelines and standards; any subcontracts entered into by such third parties shall set forth these requirements.

Grantee/Contractor agrees to comply with the requirements of Title 24 of the CFR, Part 570 (HUD regulations concerning Community Development Block Grants).

The failure to list herein a legal requirement applicable to services performed by Grantee/Contractor does not relieve the Grantee/Contractor from complying with that requirement.

XII. EQUAL EMPLOYMENT OPPORTUNITY

- A. All federally assisted construction contracts must include the equal opportunity clause provided under 41 CFR §60-1.4(b). Federally assisted construction contracts include any agreement or modification thereof between any applicant and a person for construction work which is paid for in whole or in part with funds obtained from the federal government. Construction work is defined as “the construction, rehabilitation, alteration, conversion, extension, demolition or repair of buildings, highways, or other changes or improvements to real property, including facilities providing utility services. The term also includes the supervision, inspection, and other onsite functions incidental to the actual construction.” (41 CFR §60-1.3)
- B. **Pursuant to 41 CFR §60-1.4(b), the following language shall be included in all federally assisted construction contracts and subcontracts:**

During the performance of this contract, the contractor agrees as follows:

(1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

(2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive considerations for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

(3) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(4) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

(5) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(6) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(7) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(8) The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance: Provided, however, That in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency the contractor may request the United States to enter into such litigation to protect the interests of the United States.

Unless current documentation is already on file, the Grantee must, within thirty (30) days after the effective date of this agreement, provide to the Department current certificates of insurance, documentation of self-insurance, or both, for all coverages and renewals required under this agreement. The policy shall include the State of New Jersey as an "Additional Insured" and include the blanket additional insurance endorsement or its equivalent. The policy shall include coverage for contractual liability and products liability. The coverage to be provided under these policies shall be at least as broad as that provided by the standard basic, unamended, and unendorsed occurrence coverage forms or its equivalent currently in use in the State of New Jersey, which shall not be circumscribed by any endorsements limiting the breadth of the coverage.
- B. Automobile Liability Insurance, which shall be written to cover any vehicle used by the insured. Limits of liability for bodily injury and property damage shall not be less than \$1,000,000 per accident as a combined single limit. The Grantee shall, at its own expense, appear, defend and pay all reasonable charges for attorneys and all costs and other expenses arising from such suit or claim incurred in connection therewith. If judgment shall be rendered against the State for which indemnification is provided under this paragraph, the Grantee shall, at his own expense, satisfy and discharge the same. The Grantee's indemnification of the State shall not apply to damages to the extent they result from the State's tortious action or inaction for which it would be liable under the New Jersey Tort Claims Act. The State shall, as soon as practicable after the claim has been made against it, give written notice thereof to the Grantee, along with full and complete particulars of the claim. If the suit is brought against the State or any of its agents, servants, and employees, the State shall expeditiously forward or have forwarded to the Grantee every demand, complaint, notice, summons, pleading or other process received by the State or its representatives.

V. Assignments and Subcontracts

The Grantee shall not subcontract any of the work or services covered by this agreement nor shall any interest be assigned or transferred, in whole or in part, except as may be provided for in this agreement or with the express written approval of the Department. Such approval, if granted, shall not relieve the Grantee of any of its responsibilities under this agreement. If the Grantee utilizes a subcontractor, the following shall apply:

- A. The Grantee shall submit to the Department a completed copy of Attachment F - Subcontractor List. The Grantee shall have a continuing obligation to update Attachment F - Subcontractor List during the course of this agreement. A complete and accurate list shall be submitted to the Department before final payment is made.
- B. The Grantee shall secure from the subcontractor and shall submit to the Department a copy of the subcontractor's New Jersey Business Registration Certificate as designated in Section IX of Attachment A - Authorizations and Disclosures.
- C. The Grantee shall be responsible for the subcontractor's performance, compliance with all applicable terms, conditions and requirements of this agreement, and compliance with all applicable laws.
- D. The Grantee shall ensure that any subcontract(s) entered into under this agreement meet(s) all applicable Federal requirements including, but not limited to, those delineated in 2 CFR Parts 25, 170, 175, 176, 180, 182, 200 and Appendix II to Part 200.
- E. The Grantee shall be responsible for any claims arising out of any subcontract hereunder, and, as a condition of any subcontract hereunder, the subcontractor shall hold the State harmless from any claims by the subcontractor or third-parties, which may arise under or as a result of the subcontract.
- F. If applicable, the Grantee shall provide, on a monthly and cumulative basis, a breakdown in accordance with the Approved Project Budget, of all monies paid to any small business, minority or woman-owned subcontractor(s). This breakdown shall be sent to the Chief of Operations, Division of Revenue, PO Box 628, Trenton, NJ 08646.
- G. Nothing contained in the Grantee's application or this agreement shall be construed to create a contract or privity of contract between the Department and any of the Grantee's contractors or subcontractors.

VI. Availability of Funds

- A. The State of New Jersey appropriates funds on a fiscal year basis, which is a period running from July 1 through June 30. The Grantee recognizes and agrees that both the initial provision of funding and any continuation of such funding under this agreement are expressly dependent upon the availability to the Department of funds appropriated by the State Legislature, Federal revenue, or such other funding sources as may be available. The Department shall not be liable for any breach of this agreement which results from the unavailability of funds or the State Legislature's failure to appropriate the necessary funds.
- B. The parties understand that, at this time, this agreement is either fully or partly funded, as designated in Section II of Attachment A - Availability of Funds.

VII. Procurement Standards

Procurement of supplies, equipment, and other services with funds provided by this agreement shall be accomplished in a manner consistent with all applicable Federal and State requirements. All applicable Federal and State requirements shall be incorporated into any subcontracts under this agreement. Adherence to the standards contained in those applicable Federal and State laws and regulations does not relieve the Grantee of the contractual responsibilities arising under its procurements. The Grantee is the responsible authority, without recourse to the Department, regarding the settlement and satisfaction of all contractual and administrative issues arising out of procurements entered into in support of this agreement.

VIII. Property Management Standards

Property furnished by the Department or acquired in whole or in part with Federal or Department funds, or whose cost was charged to a project supported by Federal or Department funds, shall be utilized and disposed of in a manner consistent with State and/or Federal requirements, as applicable.

IX. Method of Payment

A. Payment under this agreement will be made upon submission by the Grantee of a properly executed Expenditure Report (Attachment C) and all invoices, bills, and other documents necessary to justify the payment.

1. If authorized, advance payment will be made to the Grantee upon the execution of this agreement by the Department if the Grantee has (i) submitted an Advance Payment Form (Attachment B-2) with an appropriate justification for the requested advance payment(s); and (ii) submitted a properly executed Expenditure Report (Attachment C).
2. Progress payments shall be made by the Department on a periodic basis as set forth in Section III(B) of Attachment A, Additional Provisions and Special Modifications - Method of Payment, only upon receipt of a properly executed Expenditure Report (Attachment C) and receipt of the required financial and narrative reports described in Section XVI of the General Terms and Conditions - Financial and Performance Reporting. Payment shall be made either in fixed amounts as determined by the Department to maintain an appropriate level of services or in the form of reimbursement of actually reported expenditures, as indicated in Section III(B) of Attachment A, Additional Provisions and Special Modifications - Method of Payment.

3. All or a portion of the grant may be withheld by the Department pending receipt of any required final report(s).

- B. Unless otherwise specified in this agreement, all Expenditure Reports must be submitted by the Grantee no later than thirty (30) days after the end of the Work Period.
- C. The Department shall withhold payment of any costs improperly incurred for failure to comply with the Scope of Services, State or Federal law, as applicable, or the terms and conditions of this agreement.
- D. Grantee may not use any grant funds to satisfy any obligation arising outside the Work Period of this agreement.

X. Interest

A. The Grantee is required to deposit any advance payments received hereunder in insured accounts, whenever possible. The Grantee must maintain advance payments in interest-bearing accounts, unless this agreement is Federally-funded and one of the following applies:

1. The Grantee receives less than \$120,000 in Federal awards per year.
2. The best reasonably available interest-bearing account would not be expected to earn interest in excess of \$500 per year on Federal cash balances.
3. The depository would require an average or minimum balance so high that it would not be feasible within the expected Federal and non-Federal cash resources.
4. A foreign government or banking system prohibits or precludes interest bearing accounts.

- B. If this agreement is Federally-funded, interest up to \$500 per year may be retained by the Grantee for administrative expense; any interest above \$500 per year must be remitted on a quarterly basis to the Department for return to the Federal government. If this agreement is funded by the State, interest above \$250 per year shall be reported to the Department but may be retained by the Grantee unless otherwise provided pursuant to this agreement.

XI. Allowable Costs

- A. Use of Funds - Grant funds are to be used solely for the purpose(s) described in the approved project Scope of Services appended to this agreement (Attachment D) and may not be used to satisfy any obligation arising outside the Work Period of this agreement. Reimbursement may be obtained only for costs described in the Approved Project Budget appended to this agreement (Attachment B). The Grantee shall follow and comply with all applicable State and Federal laws governing the use of grant funds and shall not utilize grant funds to undertake any activity for any purpose other than as set forth in this agreement.
- B. Disallowed Costs - Where the Grantee has been reimbursed by the Department for costs which are subsequently disallowed by the Department, the Grantee shall return the funds to the Department no later than thirty (30) days after the request. Where the Grantee fails to timely return the funds or appeals the disallowed costs, an interest charge shall be charged on the funds beginning thirty (30) days from the date the Grantee was notified of the debt. The interest shall continue to accrue while any appeal is underway. If the Grantee is successful in its appeal, the accrued interest will be canceled.

XII. Matching and Cost Sharing Requirements

If there are any matching and/or cost sharing requirements associated with this agreement or the source of funding, then, regardless of whether Federal funds are involved, the Grantee shall account to the satisfaction of the Department for these requirements in accordance with Federal and State requirements.

XIII. Program Income

"Program income" means gross income earned by the Grantee that is directly generated from agreement-supported activities or earned as a result of the grant award during the Work Period. Such earnings include, but are not limited to, income from fees for services performed, the use or rental of real or personal property acquired under the grant award, the sale of commodities or items fabricated under the grant award, license fees and royalties on patents and copyrights, and principal and interest on loans made with grant award funds.

Unless otherwise specified in this agreement, program income shall be anticipated to the extent possible and included in the Approved Project Budget (Attachment B) to offset the Total Project Amount. Program income that the Grantee did not anticipate at the time of the grant award must be used to reduce the grant award rather than increase the funds committed. The Department may negotiate agreement(s) with the Grantee regarding appropriate use of program income earned after the Work Period, as part of the Grant Closeout Procedures in Section XX of this Part.

However, all program income earned from license fees and royalties for copyrighted material, patents, patent applications, trademarks, and inventions made under this agreement shall inure to the State pursuant to Subsection XXV(E) of this Part.

XIV. Special Grant Conditions for "High Risk" Grantees

- A. A Grantee may be considered "high risk" if the Department determines that a Grantee:
1. Is not financially stable;
 2. Has a history of unsatisfactory performance;
 3. Has failed to comply with the terms and conditions of previous grant awards;
 4. Has a financial management system that fails to meet the standards set forth in Section XV of this Part, below; or
 5. Is not otherwise responsible.

The Department may also consider prior audit findings, the Grantee's management of prior grant awards, the extent to which any previously awarded grant funds will be expended prior to future awards, and the Grantee's ability to effectively implement statutory, regulatory, or other requirements applicable to performance under this agreement.

- B. The Department may impose additional, specific, conditions upon Grantees that it considers to be “high risk.” Such conditions or restrictions shall correspond to the high risk condition, and may include:
 - 1. Requiring payments as reimbursements rather than advance payments;
 - 2. Withholding authority to proceed to the next phase of a project until receipt of evidence of acceptable performance within a given period;
 - 3. Requiring additional, more detailed financial reports;
 - 4. Requiring additional project monitoring;
 - 5. Requiring the Grantee to obtain technical or management assistance; or
 - 6. Establishing additional prior approvals.
- C. Should the Department decide to impose such conditions, the Department shall notify the Grantee as soon as possible, in writing, as to:
 - 1. The nature of the special condition(s)/additional requirement(s);
 - 2. The reason(s) why the special condition(s)/additional requirement(s) are being imposed;
 - 3. If applicable, the corrective actions necessary to remove the special condition(s)/additional requirement(s), and the time allowed for completing such actions; and,
 - 4. The method by which the Grantee may request reconsideration of the additional requirements imposed.
- D. The Department shall promptly remove any special condition(s)/additional requirement(s) once the conditions that prompted them have been corrected.

XV. Financial Management System

- A. The Grantee shall be responsible for maintaining an adequate financial management system, which shall provide for:
 - 1. Identification, in its accounts, of all Federal awards received and expended and the Federal programs under which they were received. Federal program and Federal award identification must include, as applicable, the CFDA title and number, Federal award identification number and year, name of the Federal agency, and name of the pass-through entity, if any.
 - 2. Accurate, current, and complete disclosure of the financial results of each project, agreement, or contract. For Federally-funded agreements, such disclosures shall be made in accordance with the reporting requirements set forth in 2 CFR 200.327 and 2 CFR 200.328.
 - 3. Records that adequately identify the source and application of funds for Department-supported activities, and that contain information pertaining to grant awards and authorizations, obligations, unobligated balances, assets, expenditures, income and interest, and are supported by source documentation.
 - 4. Effective internal and accounting controls over, and accountability for, all funds, property, and other assets. The Grantee must adequately safeguard all such assets and assure that they are used solely for authorized purposes.
 - 5. Comparison of actual outlays with budgeted amounts for all major cost categories on Attachment B - Approved Project Budget, and correlation of financial information with performance or productivity data, including the production of unit cost information.
 - 6. Accounting records that are supported by source documentation.
 - 7. Written procedures that minimize the time elapsing between the transfer of funds from the Department and the disbursement by the Grantee and, for Federally-funded agreements, implement the requirements of 2 CFR 200.305.
 - 8. Written procedures for determining reasonableness, allowability, and allocability of costs, consistent with the provisions of State and Federal requirements, as applicable, including Subpart E of 2 CFR 200 – Cost Principles, the appropriate Federal Agency Regulations for Grants and Agreements and Federal Agency Regulations, whichever would be applicable under Federal law, and the terms and conditions of this agreement.
- B. By execution of this agreement, the Grantee certifies that its accounting system meets the standards set forth herein and, for Federally-funded agreements, is consistent with Subpart E of 2 CFR 200 – Cost Principles, supports the accumulation of costs as required by those principles, and provides for adequate documentation to support costs charged to this agreement.

- C. The Department may review the adequacy of the financial management system of any applicant for financial assistance as part of a pre-award review or at any time subsequent to the award. If the Department determines that the Grantee's system does not meet the standards described in Subsection A of this Section, additional information to monitor the agreement may be required by the Department upon written notice to the Grantee.

XVI. Financial and Performance Reporting

- A. Attachment B - Approved Project Budget, is the approved financial plan to carry out the purpose of this agreement. The budget shall be itemized to disclose specifically the agreement tasks and project activities to be funded.
- B. The Grantee shall submit Expenditure Reports (Attachment C) on a periodic basis as prescribed in Section VI of Attachment A – Financial and Performance Reporting, which compare actual expenditures with the Approved Project Budget (Attachment B). Expenditure Reports must be certified by the Grantee's Financial Officer.
- C. The Grantee shall submit performance reports on a periodic basis as prescribed in Section VI of Attachment A – Financial and Performance Reporting. Performance reports shall present the following information for each task under this agreement:
 - 1. a comparison of actual accomplishments to the objectives established in Attachments D - Scope of Services; D-1 - Project Requirements; and D-2 - Grantee's Proposal, for the reporting period;
 - 2. reasons why established goals were not met or tasks were not completed as scheduled, if appropriate; and
 - 3. other pertinent information, including a description of work performed during the reporting period, relevant literature citations, raw data generated, any modifications to the planned scope of work, and an anticipated work schedule for the next reporting period.

Performance reports shall include all available and relevant, quantitative data pertaining to production of project work units, completion of agreement tasks, and actual costs for each unit or task. Additionally, performance reports for Federally-funded agreements shall be completed in accordance with 2 CFR 200.328.
- D. The Grantee shall submit final Expenditure and performance reports on its overall performance under this agreement, as prescribed in Section VI of Attachment A – Financial and Performance Reporting.
- E. Extensions of reporting due dates may be granted upon written request to the Department.
- F. If reports are not submitted as required the Department shall, at its discretion, suspend payments on this agreement.
- G. If the Grantee has a history of unsatisfactory performance or the Grantee does not submit satisfactory reports, the Department may require additional and more detailed reports from the Grantee.

XVII. Monitoring Performance

- A. The Grantee shall continually monitor its performance under this agreement to assure that time schedules are being met, projected work units by time periods are being accomplished, and other performance goals are being achieved as applicable and as defined in the following Attachments: D - Scope of Services; D-1 - Project Requirements; and D-2 - Grantee's Proposal.
- B. The Grantee shall inform the Department as soon as any of the following types of conditions affect project objectives and performance and shall describe the action taken, or contemplated, and the Department assistance needed, if any, to respond to any such condition:
 - 1. Problems, delays, or adverse conditions which will materially affect the ability to attain project objectives, prevent the meeting of time schedules and goals, or preclude the completion of project work units or agreement tasks within established time periods; and

2. Favorable developments or events which enable meeting time schedules and goals sooner or at less cost than anticipated, or producing more or different beneficial results than originally planned.
- C. The Department may, at its discretion, make site visits to: review project accomplishments and management control systems; audit the financial records pertaining to this agreement; and provide such technical assistance as may be required.
- D. If the Grantee is not performing satisfactorily, the Department may require remedial measures necessary to fulfill the project requirements, including requiring the Grantee to obtain additional Department approvals before proceeding or requiring the Grantee to obtain outside technical or managerial assistance.

XVIII. Audit Requirements

- A. All agreements are subject to audit by the State, including by the State Comptroller and the Department. This agreement may be audited at the discretion of the State up to seven (7) years after the date of last payment under this agreement. Any such audit shall be made in accordance with applicable Federal and State requirements, and as to whether the Grantee has complied with Federal and State statutes, regulations, and the terms and conditions of any award. The Grantee shall comply with applicable Federal and State requirements for auditees.
- B. If the Grantee expends a total of \$750,000 or more in Federal financial assistance or State financial assistance within the Grantee's fiscal year, the Grantee must have an annual single audit or program-specific audit performed in accordance with Subpart F of 2 CFR Part 200 – Audit Requirements, and State Policy.
Grantees that expend less than \$750,000 in Federal or State financial assistance within their fiscal year, but expend \$100,000 or more in State and/or Federal financial assistance within their fiscal year must have either a financial statement audit or a program-specific audit performed in accordance with Generally Accepted Government Auditing Standards, Subpart F of 2 CFR Part 200 – Audit Requirements, and State Policy.
- C. Where an audit conducted hereunder indicates any noncompliance by the Grantee with the material terms and conditions of this agreement, the Grantee shall forthwith take corrective action. As a result of any audit hereunder, recommendations shall be made whether any costs incurred by the Grantee should be disallowed as beyond the scope or the purpose of this agreement, excessive, or otherwise impermissible. The Department retains the right to recover any disallowed expenditures, and the Grantee shall return to the Department any disallowed expenditures no later than thirty (30) days after the request.
- D. Copies of all audit reports involving this agreement must be sent to the Department's Internal Audit Unit at PO Box 420, 428 East State St, Trenton, NJ 08625-0420 and the Granting Agency identified in Section I of this agreement, Grant Award Data and Signatures.
- E. The provisions of this Section XVIII shall continue in full force and effect after the termination, expiration, or suspension of this agreement.

XIX. Agreement Amendment

If the Grantee wants to amend this grant, they must submit a written request to the Grant Officer designated in Section VIII of Attachment A - Agreement Amendment. Any amendment, whether requested by the Grantee or the Department, must be documented by completion of the Department's amendment form (DEP-076). The completed amendment form must be executed by authorized representatives of both parties in the same manner as this agreement, unless the amendment is of the types described in subparagraphs A, B, C, or D below. If the amendment is of the types described in subparagraphs A, B, C, or D below, then the Grant Officer may execute the amendment form by signing same in the designated place, and execution by authorized representatives of the Grantee or Department will not be required. However, any amendment to the Scope of Services, including but not limited to any increase in the amount of the Approved Budget, must be memorialized by a completed amendment form, executed by authorized representatives of both parties.

- A. The Grantee may obtain approval directly from the Grant Officer to transfer amounts of up to \$20,000 or 10% of the total agreement amount, whichever is less, from one direct cost category to another or from the indirect cost category to a direct cost category, as long as this transfer does not result in any change in the project's scope, Work Period, objective, or deliverables, and, for Federally-funded agreements, provided that such costs are allowable and that the

transfer would not require the Department to seek Federal Agency approval pursuant to 2 CFR Part 200 or the appropriate Federal Agency Regulations for Grants and Agreements and Federal Agency Regulations, whichever would be applicable under Federal Law. If the total agreement amount is less than \$25,000, the Grant Officer may disregard the 10% limitation and approve transfers of up to \$2,500.

1. "Indirect costs" are those incurred for a common or joint purpose benefiting more than one cost objective and not readily assignable to the cost objectives specifically benefited, without effort disproportionate to the results achieved. "Direct costs" are those which can be identified specifically with a particular final cost objective or that can be directly assigned to activities relatively easily with a high degree of accuracy.
 2. The amendment form documenting any budget revision shall clearly show and justify each change in each cost category, either on the form or on an attachment to it.
- B. The Department may reduce the Approved Project Budget and the Scope of Services so that they fairly reflect anticipated project expenditures and progress if:
1. The Department notifies the Grantee that the Grantee is making project expenditures or progress at a rate which, in the judgment of the Department, will result in substantial failure to expend the grant or to fulfill the purposes of this agreement,
 2. The Department notifies the Grantee at least thirty (30) days in advance of any reduction,
 3. After consultation, the Grantee is unable to develop to the satisfaction of the Department a plan to rectify its low level of project expenditures or progress, and
 4. The Department considers the Grantee's fixed costs when making any reduction.
- C. The Grant Officer may approve no-cost time extensions to the Work Period or the due date of the final report in increments of six months or less, but not beyond any applicable time period for expending the source of funding. Written justification and documentation evidencing the need to extend the Work Period or the due date of the final report must be submitted to the Grant Officer at least thirty (30) days in advance of the scheduled end of the Work Period. The amendment form (DEP-076) documenting any no-cost time extension shall clearly show and justify the change, either on the form or on an attachment to it.
- D. The Grant Officer may approve proposed Grantee substitutions to the personnel and/or subcontractors identified and approved for this agreement, provided that, for Federally-funded agreements, the substitution would not require the Department to seek Federal Agency approval pursuant to 2 CFR Part 200 or the appropriate Federal Agency Regulations for Grants and Agreements and Federal Agency Regulations, whichever would be applicable under Federal Law. The Grantee must submit a written request to the Department which includes:
1. An explanation of the reasons why the original personnel/subcontractors cannot be provided;
 2. Vitae/credentials which demonstrate that the qualifications of the substitutions are equal to or better than the originally proposed personnel/subcontractors; and
 3. A declaration that the substitution will be provided at no additional cost to the State.

XX. Closeout Procedures

The closeout of this project shall mean the process by which the Department determines that all applicable administrative actions and all required work have been completed by the Grantee. This process shall include the following steps:

- A. The Grantee shall submit all reports as required and within the timeframes prescribed by this agreement. The Department may permit extensions when requested in writing by the Grantee;
- B. Extensions to the due date of the final report shall be made in accordance with Section XIX of the General Terms and Conditions – Grant Amendment.
- C. Unless otherwise specified, the Grantee shall, within thirty (30) days of the end of the Work Period, liquidate all obligations incurred under this agreement.
- D. The Grantee shall, within thirty (30) days of the end of the Work Period, refund to the Department any cash advanced but not committed to payment of eligible project costs in accordance with the Approved Project Budget (Attachment B).
- E. The Grantee shall refund to the Department any funds spent on costs which are disallowed by the Department, within thirty (30) days after the request.

- F. The Department retains the right to recover any appropriate amount after fully considering any recommendation on disallowed costs resulting from an audit conducted in accordance with Section XVIII of this Part – Audit Requirements.
- G. The Grantee shall account for any property acquired with agreement funds or received from the Department in accordance with Section VIII of this Part - Property Management Standards.
- H. The Department may negotiate agreement(s) with the Grantee regarding appropriate use of program income earned after the Work Period.
- I. The Grantee shall comply with any additional closeout procedures, Federal or otherwise, applicable to this agreement, and/or identified by the Department as necessary.
- J. The Department retains the right to request any additional information necessary to close out this project and may retain any final payment until closeout procedures are completed on the part of the Grantee.

XXI. Termination, Expiration, and Suspension

- A. The following definitions shall apply for the purposes of this Section XXI, Termination, Expiration, and Suspension.
 - 1. Termination - The "termination" of this agreement shall mean the cancellation of assistance, in whole or in part, any time prior to the end of the Work Period.
 - 2. Expiration Date - The "expiration date" of this agreement is the date upon which the parties have fully performed under this agreement, or any applicable timeframe for expending the source of funding has expired.
 - 3. Suspension - The "suspension" of this agreement shall mean a temporary cessation of State support or assistance pending corrective action by the Grantee or pending a decision by the Department to terminate this agreement.
- B. Notwithstanding any provision or language in this agreement to the contrary, the Department may terminate this agreement at any time, in whole or in part, for the convenience of the State, upon no less than thirty (30) days written notice to the Grantee.
- C. If the Grantee fails to comply with any term, condition, requirement, or provision of this agreement, or fails to make sufficient progress so as to reasonably ensure completion of performance within the time frames set forth in this agreement, the Department may (1) suspend this agreement and withhold further payments; (2) prohibit the Grantee from incurring additional obligations of grant funds pending corrective action; or (3) decide to terminate this agreement, in whole or in part, upon ten (10) days written notice, in accordance with Subsection (d), below.
- D. If the Department suspends or terminates this agreement, an equitable adjustment in grant payment shall be made to the Grantee for reasonable, nonrefundable expenditures or contractual obligations incurred by the Grantee which cannot be canceled for commitments made prior to the effective date of such suspension or termination, not in anticipation of it, and which would have been allowable had this agreement not been suspended or terminated. Additionally, the Department may, at its sole discretion, allow Grantee to incur additional costs that could not be reasonably avoided.
- E. The Department and the Grantee may terminate this agreement, in whole or in part, when both parties agree that the continuation of the project would not produce beneficial results commensurate with the further expenditure of funds, such as Contractor's loss of a principal investigator or other key personnel. Both parties shall agree upon the termination conditions, including the date on which the termination shall take effect and, in case of partial terminations, the portion to be terminated. The Grantee shall not incur new obligations for the terminated portion after the date on which the termination shall take effect, and shall cancel as many outstanding obligations as possible.
- F. The closeout procedures described in Section XX of this Part - Closeout Procedures, shall apply in all cases of termination of this agreement.

XXII. Access to Records

- A. The Grantee agrees to make available to the Department, the Office of the State Comptroller, any other State auditor, and any of their duly authorized representatives, and, for Federally-funded agreements, any Federal agency whose funds are expended in the course of this agreement, Inspectors General, and the Comptroller General of the United States, and any of their duly authorized representatives, such pertinent records, books, documents, and papers as may be necessary to monitor and audit the Grantee's operations under this agreement.
- B. Whenever reasonable and practical, the State shall give reasonable notice to the Grantee prior to any visitation, inspection, or audit, including any visitation or request for documentation in discharge of the State's responsibilities. However, the State retains the right to make unannounced visitations, inspections, and audits as deemed necessary during normal business hours.
- C. The State reserves the right to have access to records of any subcontractor and requires the Grantee to provide the State access to such records in any contract with the subcontractor.
- D. The State reserves the right to have access to all work papers produced in connection with audits made by the Grantee or by independent certified public accountants or municipal accountants hired by the Grantee to perform such audits.
- E. The provisions of this Section XXII shall continue in full force and effect after the termination, expiration, or suspension of this agreement.

XXIII. Record Retention

- A. The Grantee shall retain records relevant to this agreement, including but not limited to, financial and programmatic records, supporting documents, and statistical records, for a period of seven (7) years from the date of last payment under this agreement, or such longer period as any applicable State or Federal statute may require, except:
 - 1. If any litigation, claim, or audit is started before the end of the seven-year period, the records shall be retained until all litigation, claims, or audit findings involving the records have been resolved and final action taken.
 - 2. Records for nonexpendable property acquired with Federal or Department funds shall be retained for seven (7) years after final disposition.
 - 3. When the Grantee is notified in writing by the Department to extend the retention period.
- B. The State may request transfer of certain records to its custody from the Grantee when it determines that the records possess long-term retention value and will make arrangements with the Grantee to retain any records that are continuously needed for joint use.
- C. The provisions of this Section XXIII shall continue in full force and effect after the termination, expiration, or suspension of this agreement.

XXIV. Approvals and Authorizations

- A. Unless specifically stated otherwise, wherever this agreement requires the approval or authorization of the Department, that approval or authorization must be given in writing by the Commissioner of the Department, by the authorized delegate who signed this agreement, or by said delegate's successor or superior, if any.
- B. If the Grantee is a municipal or county government agency, the Grantee must submit with this agreement a copy of an ordinance or resolution, duly enacted by the governing body of that municipal or county government agency, or of the municipality or county, authorizing execution of this agreement. If the Grantee is a corporation or other business entity, the Grantee must submit with this agreement a corporate resolution or other authorization, duly adopted by its board of directors, board of trustees, or equivalent governing body, authorizing execution of this agreement. The Department will not make any payments until such ordinance, resolution, or authorization is received.
- C. If the Grantee is neither a government agency nor a corporation, and if the Grantee has neither a residence nor a place of business in New Jersey, then the Grantee irrevocably appoints the Commissioner of the Department to receive process in any civil action, which may arise out of or as a result of this agreement. The Davis-Bacon Act, as amended (40 U.S.C. 3141-3144, and 3146-3148), as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, the Grantee and its subcontractors, where applicable, are required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, the Grantee and its subcontractors, where applicable, are required to pay wages not less than once a week. If the prevailing wage rate prescribed for any craft by the United States Secretary of Labor is not the same as the prevailing wage rate prescribed for that craft by the New Jersey Department of Labor, the Grantee and its subcontractors, where applicable, shall pay the higher rate.

General wage determinations issued under Davis-Bacon and related acts, published by the US Department of Labor, may be obtained from the Wage Determinations online website at <https://www.wdol.gov.dba.aspx>. The Federal wage determinations in effect at the time of this award are part of this agreement. The Grantee hereby accepts the wage determinations and agrees that its award of any subcontract under this agreement shall be conditioned upon the subcontractor's acceptance of the wage determinations.

- B. The Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor Regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each Grantee and its subcontractors, where applicable, must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled.
- C. The Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). The Grantee and its subcontractors, where applicable, shall comply with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor Regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, the Grantee and its subcontractors must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

IX. Environmental Regulatory Compliance

- A. The Grantee shall not begin any implementation work under this agreement until the required environmental review process, if applicable, is completed in compliance with the National Environmental Policy Act (NEPA), 42 U.S.C. 4321, et seq., its implementing regulations, 40 CFR Part 1500-1508, and other applicable Federal Agency NEPA requirements. Further, the Grantee shall not begin any implementation work under this agreement until compliance with the Endangered Species Act, 16 U.S.C. 1531, et seq., and the National Historic Preservation Act, 16 U.S.C. 470, et seq., if applicable, is completed.
- B. The Grantee shall comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

X. Procurement of Recovered Materials

Any Grantee that is an agency of a political subdivision of a State and its contractors must comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act (RCRA) (42 U.S.C. 6962). The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR Part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of an item exceeds \$10,000 or the value of the quantity acquired during the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

XI. Federal Funding of Conferences

The Grantee certifies that no Federal funds shall be used to sponsor or fund in whole or in part a meeting, convention, conference, or training seminar that is conducted in, or that otherwise uses the rooms, facilities or services of, a place of public accommodation that does not meet the requirements of the fire prevention and control guidelines described in section 29 of the Federal Fire Prevention and Control Act of 1974 (15 U.S.C. 2225).

**ADDITIONAL PROVISIONS FOR:
AGREEMENTS FUNDED BY THE U.S. ENVIRONMENTAL PROTECTION AGENCY (EPA)**

I. Federal Requirements

The Grantee is subject to the OMB Guidance in Subparts A through F of 2 CFR Part 200, as adopted and supplemented by the EPA in 2 CFR Part 1500 and 40 CFR Subchapter B.

The Grantee further agrees to comply with all applicable terms and conditions of the EPA General Terms and Conditions, available at <https://www.epa.gov/grants/grant-terms-and-conditions>.

II. Lobbying and Litigation

- A. The Grantee's Chief Executive Officer shall ensure that no grant funds awarded under this assistance agreement are used to engage in lobbying of the Federal Government or in litigation against the U.S. unless authorized under existing law. The Grantee shall abide by the Cost Principles available at 2 CFR 200 which generally prohibits the use of federal grant funds for litigation against the U.S. or for lobbying or other political activities.
- B. The Grantee agrees to comply with Title 40 CFR Part 34, New Restrictions on Lobbying. The Grantee shall include the language of this provision in award documents for all subawards exceeding \$100,000, and require that subrecipients submit certification and disclosure forms accordingly.
- C. In accordance with the Byrd Anti-Lobbying Amendment, any Grantee who makes a prohibited expenditure under Title 40 CFR Part 34 or fails to file the required certification or lobbying forms shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such expenditure.
- D. Contracts awarded by the Grantee shall contain, when applicable, the anti-lobbying provision as stipulated in the Appendix II to Part 200 – Contract Provisions for Non-Federal Entity Contracts Under Federal Awards.

- E. Pursuant to Section 18 of the Lobbying Disclosure Act, the Grantee affirms either that it is not a nonprofit organization described in Section 501(c)(4) of the Internal Revenue Code of 1986, or affirms that it is a nonprofit organization described in Section 501(c)(4) of the Code but does not and will not engage in lobbying activities as defined in Section 3 of the Lobbying Disclosure Act. Nonprofit organizations exempt from taxation under section 501(c)(4) of the Internal Revenue Code that engage in lobbying activities are ineligible for EPA subawards.

III. Debarment and Suspension

The Grantee shall fully comply with Subpart C of 2 CFR Part 180 – Responsibilities of Participants Regarding Transactions Doing Business with Other Persons, as implemented and supplemented by Subpart C of 2 CFR Part 1532 – Nonprocurement Debarment and Suspension. The Grantee shall include a similar term or condition in lower tier covered transactions.

IV. No Discrimination

The Grantee shall not discriminate, and shall abide by the Civil Rights Obligations as outlined in the EPA General Terms and Conditions, available at <https://www.epa.gov/grants/grant-terms-and-conditions>.

V. Procurement Requirements

The Grantee agrees that all goods and services procured under this agreement shall be procured in accordance with the requirements of 2 CFR 200.317-200.326. The Grantee shall fully comply with 40 CFR Part 33 regarding Disadvantaged Business Enterprises (DBEs), as applicable.

VI. Subcontract Administration Requirements

A. Contract Terms

Each procurement contract signed by the Grantee as a subrecipient of EPA financial assistance must include provisions under 2 CFR Part 200, Appendix II, as applicable, as well as the following term and condition:

“The contractor shall not discriminate on the basis of race, color, national origin or sex in the performance of this contract. The contractor shall carry out applicable requirements of 40 CFR part 33 in the award and administration of contracts awarded under EPA financial assistance agreements. Failure by the contractor to carry out these requirements is a material breach of this contract which may result in the termination of this contract or other legally available remedies.”

B. Good Faith Efforts

The Grantee agrees that it shall make the following good faith efforts whenever procuring construction, equipment, services and supplies under an EPA financial assistance agreement:

1. Ensure Disadvantaged Business Entities (DBEs) are made aware of contracting opportunities to the fullest extent practicable through outreach and recruitment activities. For local government grantees, this will include placing DBEs on solicitation lists and soliciting them whenever they are potential sources.

2. Make information on forthcoming opportunities available to DBEs and arrange time frames for contracts and establish delivery schedules, where the requirements permit, in a way that encourages and facilitates participation by DBEs in the competitive process. This includes, whenever possible, posting solicitations for bids or proposals for a minimum of 30 calendar days before the bid or proposal closing date.
3. Consider in the contracting process whether firms competing for large contracts could subcontract with DBEs. For local government grantees, this will include dividing total requirements when economically feasible into smaller tasks or quantities to permit maximum participation by DBEs in the competitive process.
4. Encourage contracting with a consortium of DBEs when a contract is too large for one of these firms to handle individually.
5. Use the services and assistance of the Small Business Association (SBA) and the Minority Business Development Agency of the Department of Commerce.
6. If the prime contractor awards subcontracts, require the prime contractor to take the steps in subparagraphs (1) through (5) of this paragraph.

C. Fair Share Objectives

Any Grantee whose grant award is greater than \$250,000 for any single agreement, or whose grant award(s) total over \$250,000 in EPA financial assistance in any one fiscal year, shall negotiate fair share objectives with the EPA as required by Subpart D of 40 CFR Part 33.

D. Additional Contract Administration Requirements

If applicable,

1. The Grantee must require its prime contractor to pay its subcontractor for satisfactory performance no more than 30 days from the prime contractor's receipt of payment from the Grantee.
2. The Grantee must be notified in writing by its prime contractor prior to any termination of a DBE subcontractor for convenience by the prime contractor.
3. If a DBE subcontractor fails to complete work under the subcontract for any reason, the Grantee must require the prime contractor to employ the six good faith efforts described in Subparagraph VI.B., above, in soliciting a replacement subcontractor.
4. The Grantee must require its prime contractor to employ the six good faith efforts described in Subparagraph VI.B., above, even if the prime contractor has achieved its fair share objectives.

E. Recordkeeping and Reporting Requirements

1. The Grantee must maintain all records documenting its compliance with the requirements of 40 CFR Part 33, including documentation of its and its prime contractors' compliance with the six good faith efforts described in Subparagraph VI.B, above, and data relied upon in formulating its fair share objectives, if applicable. Such records shall be retained in accordance with the record retention requirements of this agreement.
2. Any Grantee whose grant award is greater than \$250,000 for any single agreement, or whose grant award(s) total over \$250,000 in EPA financial assistance in any one fiscal year is required to maintain a bidder's list in accordance with 2 CFR 33.501.
3. The Grantee shall provide the following information for all procurements entered into under this agreement with a Minority Business Enterprise (MBE) or Women's Business Enterprise (WBE): (1) Type of Business Enterprise (MBE/WBE); (2) Dollar Value of the Procurement; (3) Date of Procurement; (4) Type of Product or Service Procured (Construction/Supplies/Services/Equipment); and (5) Name/Address/Phone Number of MBE/WBE Contractor or Vendor. The Grantee shall provide this information to the Department's Contracts and Grant Management Unit, PO Box 420, 428 East State Street, Trenton, NJ 08625, no later than the first week of October for all procurements made during the Federal Fiscal Year prior (October – September). Grantee should direct all questions regarding this requirement to the Contracts and Grant Management Unit at (609) 292-1323.

F. Conflicts of Interest

The Grantee shall disclose conflicts of interest to the Department in a manner that, as a minimum, is in accordance with sections 5.0(d) and 7.0(c) of EPA's Conflict of Interest (COI) Policy. EPA's COI Policy is available at <http://www2.epa.gov/grants/epas-financial-assistance-conflict-interest-policy>.

VII. Consultant Cap

EPA participation in the salary rate (excluding overhead) paid to individual consultants retained by the Grantee or the Grantee's contractors or subcontractors shall be limited to the maximum daily rate for a Level IV of the Executive Schedule, available at: <https://www.opm.gov/policy-data-oversight/pay-leave/salaries-wages/>, to be adjusted annually, unless a greater amount is authorized by law. The Grantee may, however, pay consultants more than this amount with non EPA funds. This limit applies to consultation services of designated individuals with specialized skills who are paid at a daily or hourly rate. This rate does not include transportation and subsistence costs for travel performed (the Grantee will pay these in accordance with its normal travel reimbursement practices).

Subagreements with firms for services which are awarded using the procurement requirements in Subpart D of 2 CFR 200 are not affected by this limitation unless the terms of the contract provide the Grantee with responsibility for the selection, direction and control of the individuals who will be providing services under the contract at an hourly or daily rate of compensation. See 2 CFR 1500.9.

VIII. Management Fees

Management fees or similar charges in excess of the direct costs and approved indirect cost rates are not allowable. The term “management fees or similar charges” refers to expenses added to the direct costs in order to accumulate and reserve funds for ongoing business expenses; unforeseen liabilities; or for other similar costs which are not allowable under this agreement. Management fees or similar charges may not be used to improve or expand the project funded under this agreement, except to the extent authorized as a direct cost of carrying out the scope of work.

IX. Foreign Entities or Location

The Grantee shall not make any subaward to or enter into any subcontract under this agreement with a foreign government or international organization and/or that is to be performed in a foreign country.

X. Cybersecurity Condition

EPA must ensure that any connections between the Grantee’s network or information system and EPA networks used by the Grantee to transfer data under this agreement, are secure.

The Grantee shall comply with the following requirements if the Grantee’s network or information system is connected to EPA networks to transfer data to the Agency using systems other than the Environmental Information Exchange Network or EPA’s Central Data Exchange:

If the Grantee’s connections do not go through the Environmental Information Exchange Network or EPA’s Central Data Exchange, the Grantee agrees to contact the EPA Project Officer (PO) and work with the designated Regional/Headquarters Information Security Officer to ensure that the connections meet EPA security requirements, including entering into Interconnection Service Agreements as appropriate. This condition does not apply to manual entry of data by the recipient into systems operated and used by EPA’s regulatory programs for the submission of reporting and/or compliance data.

For the purposes of this paragraph, a connection is defined as a dedicated persistent interface between an Agency IT system and an external IT system for the purpose of transferring information. Transitory, user-controlled connections such as website browsing are excluded from this definition.

COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG) FUNDED PROJECTS

I. BACKGROUND

In the aftermath of Superstorm Sandy, the United States Congress, through the Disaster Relief Appropriations Act of 2013, Public Law 113-2, appropriated approximately sixteen billion dollars (\$16,000,000,000) to HUD to be allocated as disaster recovery community development block grants among states, including the State of New Jersey (“State”), to provide crucial funding for recovery efforts (“Program” or “Activity”) involving housing, economic development, infrastructure and the prevention of further damage to affected areas. Through the State’s approved “Community Development Block Grant Disaster Recovery Action Plan” (“Action Plan”) and Action Plan Amendments, it has received a U.S. Department of Housing and Urban Development (“HUD”) Community Development Block Grant (“CDBG” or “CDBG-DR”) for funding Superstorm Sandy (“Sandy”) disaster recovery and other eligible events in calendar years 2011, 2012, and 2013.

Pursuant to FR-5696-N-01 (March 5, 2013) the State received a first allocation of \$1,829,520,000; pursuant to FR-5696-N-06 (November 18, 2013) the State received a second allocation of \$1,463,000,000; and pursuant to FR-5696-11 (October 21, 2014) the State received a third allocation of \$501,909,000 and an allocation of \$380,000,000 specifically designated for Rebuild by Design projects. Pursuant to 24 CFR 570.501, the New Jersey Department of Community Affairs (“DCA”) has been designated to administer the State’s CDBG-DR Program, which is subject to the federal statutes and regulations governing CDBG grants, as modified by exceptions and waivers previously granted and which may hereinafter be granted by HUD. CDBG-DR funds are allocated by DCA for approved programmatic activity carried out by other state agencies. Oversight of specific programs covered by this agreement, including the redistribution of CDBG-DR funds to CDBG-DR-eligible entities, is implemented by the New Jersey Department of Environmental Protection (“DEP” or the “Department”).

The purpose of this Attachment is to list requirements applicable to programs funded in whole or in part by CDBG-DR funds received from HUD. Not all of the requirements listed herein shall apply to all activities or work under the Agreement.

II. ASSURANCES

Grantee/Contractor agrees to comply with all *applicable* federal CDBG-DR laws, guidelines and standards in a manner satisfactory to the State of New Jersey and HUD, including all administration and compliance requirements set forth by this Attachment. To the extent that Grantee/Contractor utilizes any contractors, consultants or other third party parties to supply goods or perform services in connection with the Agreement activities paid with CDBG-DR funds, Grantee/Contractor shall require and ensure that each contractor, consultant or other third party comply with all *applicable* federal CDBG-DR laws, guidelines and standards; any subcontracts entered into by such third parties shall set forth these requirements.

Grantee/Contractor also agrees to comply with all *applicable* cross-cutting statutes and regulations, subject to waivers cited in the Federal Register, Docket No. FR-5696-N-01 (March 5, 2013) (Allocations, Common Application, Waivers, and Alternative Requirements for Grantees Receiving CDBG - DR funds in Response to Superstorm Sandy), as supplemented by additional applicable Notices published by HUD in the Federal Register.

Grantee/Contractor agrees to comply with the requirements of Title 24 of the CFR, Part 570 (HUD regulations concerning Community Development Block Grants).

The failure to list herein a legal requirement applicable to services performed by Grantee/Contractor does not relieve the Grantee/Contractor from complying with that requirement.

THE GRANTEE/CONTRACTOR HEREBY AGREES TO THE FOLLOWING PROVISIONS (AS APPLICABLE):

III. GENERAL PROVISIONS

- A. Under provisions of the Hatch Act that limit the political activity of employees and HUD regulations governing political activity (24 CFR 570.207), CDBG funds shall not be used to finance the use of facilities or equipment for political purposes or to engage in other partisan political activities, such as candidate forums, voter transportation, or voter registration. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

(5) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(6) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(7) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(8) The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance: Provided, however, That in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency the contractor may request the United States to enter into such litigation to protect the interests of the United States.

NON-DISCLOSURE AGREEMENT

This Non-Disclosure Agreement ("Agreement") is entered into by and between the New Jersey Department of Environmental Protection and _____ ("Receiving Party"), to include all staff, contractors, consultants and subcontractors of the Receiving Party, for the purpose of preventing the unauthorized disclosure of Personally Identifiable Information ("PII") as defined below. The parties have agreed to enter into a confidential relationship with respect to the disclosure of certain proprietary and confidential personal information.

I, _____, [insert name] understand that that in the performance of my duties under the referenced contract, I may be provided access to PII as defined in this agreement, and hereby agree to the provisions listed below as a condition to such access.

1. Definition of Personally Identifiable Information. For purposes of this Agreement, the Housing and Urban Development ("HUD") definition of PII shall be used, which includes all information that can be used to distinguish or trace an individual's identity, such as name, and social security number, alone, or when combined with other personal and identifying information which is linked or linkable to a specific individual, such as date, place of birth, mother's maiden name, etc.

2. Obligations of Receiving Party. Receiving Party shall hold and maintain PII in strictest confidence for the sole and exclusive benefit of the Disclosing Party. Receiving Party shall not, without prior written approval of Disclosing Party, use for Receiving Party's own benefit, publish, copy, or otherwise disclose to others, or permit the use by others for their benefit or to the detriment of Disclosing Party, any PII. Receiving Party shall return to Disclosing Party any and all records, notes, and other written, printed, or tangible materials in its possession pertaining to PII immediately if Disclosing Party requests it in writing.

3. Time Periods. The nondisclosure provisions of this Agreement shall survive the termination of this Agreement and Receiving Party's duty to hold PII in confidence shall remain in effect until the PII becomes publicly known through no fault of the Receiving Party or until Disclosing Party sends Receiving Party written notice releasing Receiving Party from this Agreement, whichever occurs first.

All client information is subject to the Federal Privacy Act of 1974 (5 U.S.C.552a).
